It is stated that these officials had been recommended for allowance in his recommendations of 1918, but the existing order issued is based on the recommendations made by the Supdt of the Central Jail after inspection of District Jails and mine thereafter. In the statement furnished by the Supdt. on Feby 1920, which was ~~the basis of~~ the ~~Govt~~ orders, there was no mention of the allowances in question when this was duly sanctioned. As allowances have been sanctioned to these officials in the Myaung Jail, the officials of the Central Jail have also to be given allowances which will be an addition to the expenditure already sanctioned for which the Concurrence of the Govt has to be obtained.
